

Thank you for choosing Partnering With Parents LLC to support you and your child's developmental needs!

Nicole Wunningham is a Developmental Specialist with a Masters in Special Education and Early Intervention and a certified Holistic Nutrition Consultant. The current best practices in these fields have found that children achieve success in meeting their goals when the intervention occurs in their natural environment, is embedded in their daily routines, and is led by their primary caregivers.

Nicole Wunningham, M.Ed.

Child Development Specialist
Holistic Nutrition Consultant

As the expert on your child, you have an active role in discussing your child's needs and implementing the intervention plan in your daily routines. Nicole will provide education and training on a wide variety of developmental interventions and resources to empower you to use intervention strategies daily. This partnership yields the fastest gains toward meeting your child's unique developmental goals!

Sessions are in-person or online using video conferencing from the comfort of your own home. Partnering With Parents LLC uses HIPAA-compliant software to protect you and your child's Protected Health Information.

The cost for one-hour weekly sessions is \$90; for bimonthly or consultative sessions is \$107. The Intake evaluation is \$185 and includes a 60 minute session to review history, develop treatment goals, and score assessments. Payment is conveniently found online at <https://www.paypal.me/PartneringWParents> and is due prior to the start of each session.

Please email Partnering With Parents LLC with any additional questions.

I look forward to collaborating together soon!

Nicole Wunningham
